Usually students that apply are in their 20's or 30's; however, occasionally we do have younger students attending the school and requesting Homestay. We would like to know if you would be interested in hosting students between 14-18 years of age. Hosting this age of student is a little different than hosting adult students. However, if you feel you may have the right home for this, please let us know. You are under no obligation to agree to host teens and we hope that you would only agree to do so if you are sincerely interested.

Would you be interested in hosting a minor? _____

Which ages would you be comfortable hosting? _____

I hereby certify that the above information is true to my knowledge. Home 4 You reserves the right to terminate the agreement with the homestay applicant if any of this information is found to be false. I also understand that once I am accepted into the Homestay program at Home 4 You, I am not guaranteed a student, nor should I expect to always have one. Home 4 You will place students according to student needs and demands.
